

# Your church can *end homelessness* for a single mom & her children.

"Bridge of Hope makes homeless strangers into friends in the name of Christ."

— Tony Campolo, author and speaker

"I had no home, no job and no car when I met my Bridge of Hope mentoring group from a church in my community. Today my daughters and I have our own apartment, a job that pays the rent, a car that gets me to work, and a group of friends – our mentoring group – who love us. We are blessed."

— Angela, *Bridge of Hope* program graduate

"Befriending Angela changed my life. It's been a privilege to be part of her life and to see her grow into a confident single mom, who knows she is loved by God and our church. **Every church should mentor a homeless single mother and children through Bridge of Hope!**"

— Karen, *Bridge of Hope* mentor

## Bridge of Hope is a three-way partnership between:

- one homeless **single mother** and her children
- one trained group of 8-12 **mentoring friends** from the church
- a **social worker** provided through a local social service agency partner

Bridge of Hope National provides complete mentor training and program tools, support and training for the agency's social work staff.
