**CHURCHES RESPOND.
HOMELESSNESS ENDS.
HOPE BEGINS.**

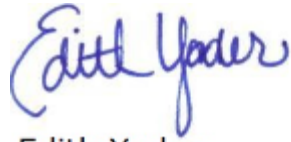

Melissa was experiencing one of the hardest times of her life when her pastor suggested she contact Bridge of Hope. "She was within a day of homelessness... and that was the day Bridge of Hope stepped in," says Pastor Greg.

Melissa's story touches me deeply. I hear her pain when she reflects on the past year, "I was a nurse and there was a pandemic and I couldn't do anything to help." I am moved by her teenage daughter who has learned much about forgiveness and who says, of Bridge of Hope, "It's not just about financial help, it's about community."

Thank you for joining us in creating communities of support for moms and children facing homelessness,
