I will sleep out to end family homelessness and to raise funds for Bridge of Hope.

FACT: Families = 1/3 of the U.S. homeless population.

FACT: Homelessness includes living in a car, hotel, a shelter or temporarily in someone else's home.

FACT: Bridge of Hope is a church-based approach to ending family homelessness.

I am sleeping out to raise awareness that many people in our community and nation do not have homes or beds of their own.

I want to end homelessness across the United States!
